Data description

Abstract

Project and NGO data was analyzed to identify the strategies towards the processes of in-migration and the shortening of natural resources. These processes mainly influence rural development in Departement of Borgou: central Benin. The table of contents of the policy documentation can be downloaded. The original documents do not exist as digital file. Parameter, Attribute list: number of projects, number of NGOs, intervention areas, target groups, intervention regions, project activities. Dataset created by IMPETUS subproject A5.

No information about Data Lineage; No information about Data Consistency; No information about Data Completeness; No information about Positional Accuracy; No information about Quantitative Attribute Accuracy

Observing strategy
