Data description

Abstract

Shows the current and future water demand of Benin's industrial sector. Parameter, Attribute list: water resources, Communes, departments, water demand. Dataset created by IMPETUS subproject A2.

No information about Data Lineage; No information about Data Consistency; No information about Data Completeness; No information about Positional Accuracy; No information about Quantitative Attribute Accuracy

Observing strategy

Water demand development of Benin's industrial sector

Geographic information

Measured parameters

Water demand

Parameter name: water demand

Industry

Parameter name: industry

Data use information

Use constraints: Please inform the Point of Contact if you use the data for publication

Data policy: IMPETUS data policy

Database: IMPETUS

Original data format(s): Excel
